Introduction

This Governing Policies Manual contains the current standing (ongoing) performance standards, values, and expectations of the Board of Directors (“BoD”) of the County of Summit ADM Board.

1. **Purpose:** This Manual is designed to help the BoD approach decisions from the perspective of its own, previously established standards, values, and expectations by:
 - A. Elevating efficiency of having all ongoing BoD policies in one place.
 - B. Quickly orienting new BoD members to current policies.
 - C. Eliminating redundant or conflicting policies.
 - D. Having greater ease of reviewing current policy when considering new issues.
 - E. Providing clear, proactive policies to guide the Executive Director and staff, as well as BoD officers, members, and committees.
2. **Consistency:** The BoD will ensure that each policy in this document is consistent with legal/statutory requirements, all of which have precedence over these BoD policies. Except for time-limited or procedural-only BoD decisions (approving minutes, electing officers, etc.), which are recorded in BoD meeting minutes, all standing BoD policies shall be included or referred to in this document. The Executive Director is responsible for developing operational and administrative policies and procedures that are consistent with the standards set forth in this Manual.
3. **Transition:** Unless a prior BoD resolution or contract obligates the organization with regard to a specific matter, these updated standards supersede previous BoD resolutions. If an actual or apparent conflict arises between this Manual and other policies or BoD resolutions, the matter shall be brought to the BoD’s attention for resolution.
4. **Changes:** The BoD will regularly review these policies and, as appropriate, refine them. Proposed revisions may be submitted for BoD consideration, by any BoD member or by the Executive Director. Whenever changes are adopted, the updated document should be dated and promptly disseminated to the BoD and Executive Director.
5. **Specificity:** Each new policy will be drafted to fit into the appropriate section of the Manual. For consistency, policies should be drafted starting with the broadest policy statement, then adding specificity down to the level of detail that the BoD finds appropriate/necessary for BoD action. The BoD will afford discretion for implementation (allowing reasonable interpretation) when delegating further decisions to the Board Chair, Board Committees, or the Executive Director.
6. To foster informed and efficient decision-making, the BoD will address issues with consideration of:
 - A. Relevant to the issue at hand, what has the BoD already said in its policies?
 - B. According to the board’s policies, does this scenario refer to anything that has been delegated to the CEO?
 - i. If yes, does the issue suggest that the Executive Director has acted in a manner consistent with the BoD’s *Ends and Management Parameters* policies?
 - ii. If no, does the issue reflect actions consistent with the BoD’s *Board Process* and *Board- Management Connection* policies?
 - C. What action, if any, should the BoD now take?
 - i. If an action is proposed by one individual, does the majority of the Board share the concern?
 - D. If the proposed action includes a possible policy change:
 - i. What amendment(s) are suggested?
 - ii. What further information, if any, should the BoD consider prior to a decision?

Policy 3.1 Governing Philosophy and Values

Date of Adoption: July 28, 2015 / Last revision: September 21, 2021

The BoD will govern lawfully, using Policy Governance® principles, with an emphasis on (a) integrity and truthfulness in all of its activities and practices, (b) outward vision, (c) encouragement of diversity in viewpoints, (d) strategic leadership more than administrative detail, (e) clear distinction of BoD and Executive Director roles, (f) collective decisions, and (g) a focus on the future.

Accordingly:

1. The BoD will cultivate a sense of group responsibility. The BoD, not the staff, will be responsible for BoD performance. The BoD will lead the ADM Board organization by proactively setting performance expectations for its own work and for that of the operating organization.
2. The BoD will use the expertise of its members to enhance its understanding of issues but will not simply defer to that expertise as the judgment of the entire BoD.
3. The BoD will set performance standards and expectations for the organization through the careful articulation of written policies. The BoD's primary focus will be on the achievement of intended long-term impacts outside the staff organization, not on the administrative or programmatic means of attaining those results.
4. The BoD will establish and adhere to its own performance expectations pertaining to matters such as attendance, meeting preparation and participation, policymaking, respect of roles, speaking to management and the community with one voice, and continually building the BoD's governance capability and reputation.
 - A. Continual BoD development will include ensuring new BoD members are given a meaningful orientation to their duties and the BoD's governance process, and periodic BoD discussion of process improvement
 - B. Orientation for new BoD members will include three primary components:
 - i. Governance process: The Board Chair and Governance Committee *will* ensure provision of training including the governance principles underlying this Governing Policies Manual, and these policies, with particular emphasis on the Board Members' Code of Conduct policy.
 - ii. Current strategic issues: The Board Chair, Governance Committee and the Executive Director will provide overview and background information on significant issues being addressed and likely to be decided upon early in new BoD member's tenure.
 - iii. Operational overview: The Executive Director will help new BoD members achieve a general understanding of the ADM Board's operating organization (financials, key personnel, key programs, FAQs, etc.).
5. While the BoD will ensure that divergent views are considered in its decision-making process, BoD members are expected to support the legitimacy and authority of final decision of the BoD, irrespective of their position on the issue.
6. Although the BoD may change these governing policies at any time, it will diligently observe those currently in effect.
7. All on-going policies of the BoD are contained in this document, and they remain in effect, unless amended or deleted by BoD action.
8. The BoD will be accountable to the residents and taxpayers of Summit County for competent, conscientious, and effective fulfillment of its governance obligations. The BoD will not allow any officer, individual or committee of the BoD to be an obstacle to this commitment.
9. The BoD will monitor and discuss the BoD's process and performance at each meeting. Self-monitoring will include comparison of BoD activity and discipline to policies in the Board Process and Board Management Connection categories.

Policy 3.2 Board Job Description

Date of Adoption: July 28, 2015 / Last revision: September 21, 2021

Board Process

Specific job outputs of the BoD, acting on behalf of the residents and taxpayers of Summit County, are those that ensure appropriate organizational performance.

To fulfill this role, the BoD takes direct responsibility for three specific job products unique to its trusteeship role and necessary for proper governance and management:

1. **Linkage:** The BoD will connect the interests of the residents and taxpayers of Summit County with operational performance.
 - A. **Needs Assessment:** The BoD will assess needs and trends affecting the residents and taxpayers of Summit County as they relate to the ADM Board's activities and scope of influence and will develop and maintain Ends policies identifying and prioritizing intended organizational outcomes to address those needs.
 - B. **Advocacy:** The BoD will inform the residents and taxpayers of Summit County of the ADM Board's achievements on their behalf, and of its expected future results.
2. **Performance Standards:** The BoD will maintain written performance standards, as set forth in these governing policies, addressing the broadest, and as appropriate, more defined levels of all organizational decisions and situations.
 - A. **Ends:** Strategic results priorities describing intended organizational products, impacts, benefits, outcomes, recipients, and their relative worth (what good for which recipients at what cost/worth/priority). Ends must align with the Community Plan mandated by State law.
 - B. **Management Parameters:** Constraints on executive authority defining the prudence and ethics boundaries within which all management activity and decisions must take place.
 - C. **Board Process:** Specification of how the BoD conceives, carries out, and assesses its own work.
 - D. **Board-Management Connection:** How the BoD delegate authority to management and ensures its proper use; the Executive Director role, authority, and accountability.
3. **Assurance of Organizational Performance:** The BoD will ensure Ends fulfillment, financial solvency, and organizational integrity by holding itself accountable for effective governance as defined in these policies and holding the Executive Director accountable for successful achievement of *Ends* and adherence to *Management Parameters*.

In addition, the BoD maintains direct responsibility for:

4. Levy recommendations for inclusion on the ballot.
5. Determinations regarding the ADM Board's positions on/endorsements of referenda and public policy and legislative issues as appropriate in serving the interests of the residents of Summit County.

Policy 3.3 Board Members' Code of Conduct

Date of Adoption: July 28, 2015 / Last revision: April 28, 2026

The BoD expects from itself and its members ethical, lawful, and businesslike conduct, including proper use of authority and appropriate decorum when acting as BoD members. Accordingly:

1. Duty of Care: BoD members are to discharge their duties honestly and in good faith. BoD members shall exercise the degree of care, diligence and skill that a reasonably prudent person would exercise in similar circumstances.
2. Duty of Obedience: BoD members must abide by relevant statutes and the ADM Board's governing documents (i.e., these Governing Policies). While vigorous debate is expected and encouraged, BoD members are obliged to support the legitimacy and authority of the final determination of the BoD on any matter, irrespective of the member's personal position on the issue.
3. Duty of Loyalty: members will be alert to the fact that, though they may be appointed by a political body, their primary allegiance is to the residents and taxpayers of Summit County (owners), superseding any conflicting loyalties such as that to the appointing body, segments of the community, family members, advocacy or interest groups, staff, other organizations or any personal interests as a consumer of the organization's services (or of its funded service providers).
4. BoD members must avoid any conflict of interest with respect to their fiduciary responsibility.
 - A. There must be no self-dealing or any conduct of private business or personal services between any BoD member and the organization except as procedurally controlled to assure openness, competitive opportunity, and equal access to inside information.
 - B. BoD members must not use their positions to obtain staff employment for themselves, family members (*member's spouse, child, parent, brother, sister, step-parent, stepchild, stepbrother, stepsister, father-in-law, mother-in-law, son-in-law, daughter-in-law, brother-in-law, or sister-in-law*), or other individuals. BoD members are encouraged to refer qualified individuals but should in no way attempt to influence the selection process. Should a BoD member apply for staff employment, he or she must first resign from the BoD.
 - C. BoD members must disclose all conflicts of interest publicly and must refrain from discussions and debates and abstain from voting on any issue for which a conflict of interest exists.
 - D. BoD members will sign an acknowledgement and disclosure statement attesting that they have received and will comply with the Ohio Ethics Laws (Revised Code chapter 102), have disclosed any current conflict of interest, and understand that they have the duty to immediately update their disclosure statement should any new conflict arise, and in conjunction with the scheduled annual review of this policy.
 - E. BoD members may not accept anything of more than a nominal value from a private citizen under circumstances that creates a conflict of interest or the appearance of impropriety. BoD members may not accept anything of value from ADM Board members or BoD members of contracted provider agencies, employees of the ADM Board or contracted provider agencies, or consumers. "Anything of value" includes money, supplemental compensation from any party, goods, chattel, future employment, interest in realty, travel, meals and lodging, frequent flyer benefits or credit card benefits and every other thing of value. Common sense exceptions to this requirement include ordinary social hospitality such as special social celebrations and recognition (e.g., recognition certificates and plaques)
 - F. BoD members are prohibited from having a personal interest in a public contract, *as defined in Ohio Revised Code §2921.42(I)(1)*, with the ADM Board.
5. Current and former BoD members must not disclose sensitive information, particularly any that is officially designated as confidential, including:
 - A. Anything that identifies individual consumers, without a signed authorization.
 - B. Sensitive information such as budget, personnel and property acquisition until final decisions and negotiations have been completed.
 - C. Proprietary information of contracted provider agencies.

Board Process

Policy 3.3 Board Members' Code of Conduct, continued

 - A. BoD members' interaction with the Executive Director or with staff must recognize the lack of authority vested in individuals except when explicitly stipulated by the BoD.
 - B. BoD members' interaction with public, media or other entities must recognize that BoD members may not speak for Executive Director or for the BoD, except to repeat explicitly stated BoD decisions.
 - C. ADM Board members will not publicly express individual judgments of performance of the Executive Director or other employees, other than when participating in the BoD's monitoring functions.
 - D. The Executive Director is accountable to the BoD as a whole and not to individual BoD members. Therefore, the relationship between the Executive Director and individual members of the BoD, including the Board Chair, is collegial and not hierarchical.
7. BoD members will treat one another and staff members with respect, civility and transparency.
8. BoD members will be attentive to BoD communications and respond promptly to staff and BoD member requests for feedback.
9. A BoD member aware of credible information that suggests that a BoD policy has been violated by the BoD, a BoD member, or the Executive Director, has an affirmative obligation to bring the concern to the Board Chair. If the Chair is the subject of the concern, it should be brought to the Vice-Chair.
10. BoD members are expected to complete Executive Director monitoring report evaluations in accordance with the Board-approved monitoring schedule. Patterns of noncompletion may be addressed by the Board Chair or Governance Committee as part of ongoing Board accountability and effectiveness.
11. BoD members are expected to review agenda materials in advance of BoD and committee meetings, participate productively in BoD deliberations, and contribute their time, skills, resources, and connections, as available and requested, to support public representation and levy efforts of the organization.
12. Statutory Requirements: The BoD will conform to requirements of the Ohio Code, including but not limited to:
 - A. Attendance: BoD member attendance shall comply with Ohio Revised Code Chapter 340. BoD members shall give notice to the Board Chair of any absences. Upon the absence of a member within one year from either four board meetings or from two board meetings without prior notice, the board shall notify the appointing authority, which may vacate the appointment and appoint another person to complete the member's term.

Removal: Any member of the board may be removed from office by the appointing authority at will. Before a member may be removed at will, the member shall be informed in writing of the proposed removal and afforded an opportunity for a public hearing. Any member of the BoD may be removed from office by the appointing authority if the member's spouse, child, parent, brother, sister, step-parent, stepchild, stepbrother, stepsister, father-in-law, mother-in-law, son-in-law, daughter-in-law, brother-in-law, or sister-in-law serves as the county executive or member of county council or serves as a member of the BoD or employee of an agency with which the BoD has entered a contract for the provision of services or facilities.
 - B. Financial Audit: The State Auditor's Office shall conduct an annual financial audit of the ADM Board operation as part of the Summit County audit.
 - C. Method of Voting: Decisions of the BoD will be formally presented through a simple voice vote of motions that have been seconded. A roll call vote shall be used for an Executive Session as required under Ohio Revised Code Section 121.22 (Sunshine Law), or as otherwise required by law.

Policy 3.4 Board Work Plan and Agenda Preparation

Date of Adoption: July 28, 2015 / Last revision: January 27, 2026

To fulfill its job description (Policy 3.2), the BoD will prepare and follow an annual work plan that (a) re-explores Ends policies and (b) continually improves BoD performance through BoD education, interactions with staff, service providers, beneficiaries, and outside experts.

Accordingly:

1. **Annual Planning Cycle:** The BoD's annual planning cycle will conclude each year at its December meeting, so that administrative planning and budgeting for subsequent fiscal year can be focused on addressing both short and a one-year segment of the long-term Ends.
2. **Work Plan Development:** The cycle will start at the BoD's January meeting with the BoD's development of its work plan for the next year. At that time, the Board Chair will prepare and present for the BoD's consideration and approval a suggested work plan for the following year's meetings. Considerations should include:

 - D. **Annual In-service Training:** Each year all BoD members shall attend at least one in-service training session provided or approved by the Ohio Department of Mental Health & Addiction Services. Such training sessions shall not be considered to be scheduled meetings of the BoD. If a BoD member is unable to attend the in-service training session, he or she will be provided with available materials as well as any available recording of the presentation
 - E. **Policy Review:** How the BoD will systematically review its policies, with emphasis on Ends, over the course of the year,
 - F. **Committee Charges and Composition:** To assure relevance and continuity, the number, purpose and composition of BoD committees (see policy 3.7) is to be evaluated annually in January.
 - G. **Assessment of Executive Director Performance:** Reviewing the schedule of planned monitoring activities (policy 4.4) to assure performance on Ends and Management Parameters policies.
 - H. **Self-Assessment:** Methods and timeline (policy 3.13) for periodic evaluation of how well the BoD is fulfilling its governance role (i.e., in accordance with its Board Process and Board-Management Connection policies) and open discussion of how the BoD's performance can be improved.
 - I. **Meeting Schedule:** The BoD shall establish the dates and time of the regular BoD meetings for the upcoming year. No later than ten (10) days after the January Meeting, and prior to the subsequent regular meeting, written announcement of the time and place of regular meetings shall be posted at ADM Board offices and website.
3. **Meeting Agendas:** The Chair will determine the agenda for any particular meeting, although BoD members and the Executive Director may request or recommend any appropriate matters for BoD consideration.
 - A. A BoD member or the Executive Director may recommend or request a matter for BoD discussion by submitting the item to the Chair at least eight (8) business days prior to the regularly scheduled BoD meeting.
 - B. To ensure BoD member preparation and informed participation, meeting agendas and packets (background materials for decision items on the agenda, monitoring reports, etc.) are to be received by BoD members at least five (5) business days prior to the scheduled BoD meeting.

Policy 3.4 Board Work Plan and Agenda Preparation, continued

Board Process

- C. By an affirmative vote of a majority of those present, additional matters may be added to the agenda of any regular BoD meeting.
- 4. Consent Agenda: "Required Approvals" will appear on a Consent Agenda, in which one motion can address those items delegated to the Executive Director, yet required by law, regulation or contract to be BoD-approved.
- 5. **Executive Director Monitoring:** The BoD will act on the Executive Director's monitoring reports received prior to the meeting, determining by majority vote if the report:
 - A. Conveys a reasonable interpretation of the respective policy's provisions.
 - B. Provides reasonable substantiation of compliance with the policy provisions, as interpreted.
- 6. **Executive Director Annual Review:** Each year, by no later than the anniversary date of the Executive Director's contract, the BoD will act on the Executive Compensation Committee's recommendations for professional development goals, and adjustments to the Executive Director's compensation, to be effective as of the anniversary date of his/her employment.
- 7. **Open Meetings:** All meetings of the BoD, including all committees or subcommittees formed under the auspices of this BoD, shall be open to the public and held and conducted in compliance with Ohio Revised Code Section 121.22, (Sunshine Law). Opportunity shall be given to the public to address the meeting, but the BoD shall not be obligated to consider the problem or request of a petitioner unless the matter has been presented to each individual member of the BoD and the Executive Director in writing at least 48 hours in advance of the meeting, excluding Sundays and holidays. Each public comment will be limited to no more than 2 minutes per individual, with the chair ensuring maintenance of respect and avoidance of use of names and pejoratives. The BoD Secretary will be responsible for keeping time. In the absence of the secretary, the Vice Chair will take on this responsibility. The Chair, at their discretion, may extend the total time period, limit the total time period, or eliminate public comment from the agenda at any full board or committee meeting. Public comment during hybrid meetings will only be available in-person.
- 8. **Special Meetings:** A special meeting of the BoD may be called by a BoD Officer, the Executive Director, or by one-third of the BoD membership, by serving written notice on all other members of the BoD of the time, place, and purpose of the meeting, as soon as practicable before the date of the meeting. Service of such notice shall be delivered to all by electronic communication unless a party has requested an alternate method of notification. Notice of the time, place, manner by which the meeting will be conducted and purpose of any special meetings shall be given twenty- four (24) hours in advance to the news media and any other persons that have requested notification.
- 9. **Hybrid Meetings:** H.B. 257, effective April 8, 2025, with the appropriate policy in place, authorizes public governing boards, such as the ADM Board's Board of Directors to meet and conduct business remotely under certain conditions. The bill amends Section 121.221 of the Revised Code to provide for members of a public body to hold and attend meetings by means of video conference or any other similar electronic technology.

Members attending virtually will be considered present, allowed to vote, and included in the quorum count. Resolutions, rules, and formal actions taken during such electronically facilitated meetings hold the same legal weight as those conducted in fully in-person sessions.

Effective September 1, 2025, all BoD Committee meetings will have a hybrid option. Members must notify the Committee Chair and Executive Director prior to the meeting if they will be attending virtually. This option is only intended for use if a member is travelling or during unforeseen circumstances. In the interests of continued board engagement, no more than 2 Committee meetings per year can be attended virtually by any one member per calendar year.

Virtual attendance at a Committee meeting shall not count towards a member's annual limit if no in-person attendance option is made available for that meeting.

In instances where a fully virtual meeting is held and a member has already reached their virtual attendance limit, the Committee Chair or Executive Director (as the Committee Chair's designee) may approve a waiver allowing that member to participate virtually in excess of the limit.

Policy 3.4 Board Work Plan and Agenda Preparation, continued

If remote access accommodation is made available for BoD members, public access to a remote meeting will also be provided. This access will be commensurate with the method by which the meeting is conducted, ensuring that the public can observe and hear the discussions and deliberations of all members of the public body, whether they are participating in person or electronically.

Members of the public body must have adequate hardware and software, a reliable internet connection or other electronic means that ensure they are clearly visible and always audible during the meeting.

Votes will be taken by roll call unless a motion for unanimous consent is made and not objected to by any member. For unanimous votes, the meeting minutes must reflect how members voted, including any who abstained.

In-person meetings are required if the meeting involves:

- A vote to approve a major non-routine expenditure, defined as any non-contractual funding expenditure not routinely approved by the Board, not delegated to the Executive Director to execute via the Board's policy, and exceeding \$100,000.
- The hiring of an Executive Director position (the only role reporting to the BoD) or any interim or acting Executive Director appointment.
- A tax issue or tax increase.
- If two members of the public body notify the chairperson at least 48 hours before the meeting that an agenda item must be acted upon at a fully in-person meeting.

If the BoD is unable to meet these requirements (e.g., quorum, commensurate access as described in the public notice, or continuous visible and audible access), the meeting must be halted until those conditions are met.

10. **Emergency Meetings:** An emergency meeting of the BoD may be called by a BoD Officer, the Executive Director, or by one-third of the BoD membership, by serving written notice by electronic communication on all other members of the BoD of the time, place, and single purpose of the meeting, as soon as practicable before the date of the meeting. Simultaneously, notice of the time, place, manner by which the meeting will be conducted and purpose of any emergency meeting shall be given immediately to the news media as BoD members are being contacted. An emergency meeting may only be called when the subject matter is of such urgency the *Special Meeting* time parameters cannot be met.
11. **Purpose of Special or Emergency Meeting:** A Special or Emergency Meeting may only be called if the subject matter requires BoD action that must be accomplished prior to the next regularly scheduled BoD meeting.
12. **Requests for Notice:** Any person, upon request, shall receive reasonable advance notice of the time, place, and purpose of any meeting by electronic communication, unless an alternative method of notification has been requested.
13. **Executive Sessions:** The BoD may hold an Executive Session for all purposes allowable by law but not limited to the following purposes:
 - A. Appointment, dismissal, discipline, promotion, demotion, or compensation of an employee or BoD member or the investigation of charges or complaints against an employee or BoD member.
 - B. To consider the purchase or sale of property for public purposes.
 - C. Conferences with an attorney concerning disputes that are the subject of pending or imminent court action.
 - D. Confidential matters as defined by law.
 - E. Specialized details of security arrangements

Policy 3.5 Board Officers and Elections

Date of Adoption: July 28, 2015 / Last revision: September 21, 2021

The BoD's elected officers are delegated specific authority and responsibilities, with specific job outputs, that support the BoD's functions as a group. Accordingly:

1. **Nominations and Elections:** The BoD will elect a Board Chair, Vice Chair, and Secretary no later than the June meeting each year, by secret ballot, from the slate of candidates offered by the Governance Committee and those nominated from the floor. The Governance Committee Chair, and/or a designee, will count the ballots and those receiving the most votes will be identified as the officer's elect. If no candidates are identified from the floor, the BoD may waive the secret ballot process and have a voice vote to accept the candidates offered by the Governance Committee. Officers will assume their duties on July 1st. Officers may not serve in the same office for more than two consecutive years, absent the vote of the Board of Directors. The Board Chair may not serve more than three consecutive years in that office. Candidates for officer positions which become open due to vacated terms will be brought forward by the Governance Committee or a vote of the BoD.
2. **Board Chair's Role:** As the ADM Board's chief governance officer, the Board Chair's primary role is to assure the integrity of the BoD's process and, secondarily, to represent the BoD to outside parties.
 - A. The Board Chair's job is to ensure that the BoD behaves consistently with its policies and any requirements legitimately imposed upon it from outside the organization.
 - B. Agenda content will include only those issues which, according to BoD policy, clearly belong to the BoD to decide or to monitor, or to otherwise be educated so it can best fulfill its responsibilities.
 - C. Deliberation will be fair, open, and thorough, but also timely, orderly, and kept to the point.
3. The Board Chair will lead and participate in the BoD's assessment of its own performance.
 - A. Criteria for assessment will be the BoD's adherence to its Board Process and Board- Management Connection policies.
 - B. The BoD will self-assess its overall performance no less frequently than once per year.
 - C. The BoD will ensure that there is at least a brief assessment of each meeting prior to adjournment, identifying factors that enhanced its productivity, as well as those that would have made the meeting more successful.
4. The Board Chair is authorized to make decisions consistent with the Board Process and Board-Management Connection policies, with the exception of (a) employment or termination of an Executive Director and (b) decisions pertaining to matters about which the BoD has specifically delegated portions of its authority to others. The Board Chair may use any reasonable interpretation of these policies.
 - A. The Board Chair is empowered to preside at BoD meetings with the commonly accepted power of that position, such as ruling and recognizing.
 - B. The Board Chair has no authority to make decisions within Ends and Executive Limitations policy areas. Therefore, the Chair has no authority to supervise or direct the Executive Director.
 - C. The Board Chair may represent the BoD to outside parties in announcing BoD-stated positions and in stating decisions and interpretations within the area delegated to her or him.
 - D. The Board Chair may delegate this authority but remains accountable for its use.
 - E. Except where specified otherwise in BoD policies, the Board Chair may appoint BoD members, or others, as appropriate, to serve on Board Committees.
5. **Vice Chair's Role:** In the event of the Board Chair's absence, disability, or refusal to act, the Vice Chair will assume the responsibilities and have the authority and perform the duties of the Board Chair. In order to be prepared for possible duty, he or she will maintain familiarity with governance practices, issues, and policies.
6. **Board Secretary's Role:** The Board Secretary is to ensure the integrity (accuracy, timeliness of updates/revisions, etc.) of the BoD's documents.

Policy 3.6 Board Committee Principles

Date of Adoption: July 28, 2015 / Last revision: July 28, 2015

Board committees may be established to help the BoD be more effective and/or efficient in its work. Board committees are not to interfere with the BoD's delegation of authority to the Executive Director, or the Executive Director's to other staff.

Accordingly:

1. Board committees are to help the BoD do its job, not to help, advise or exercise authority over staff.
2. Board Committees will ordinarily undertake activities not delegated to the Executive Director, such as by preparing policy alternatives and implications for BoD deliberation or performing specific monitoring functions.
3. Board committees may only speak or act for the BoD when formally given such authority for specific and/or time-limited purposes. Expectations and authority will be carefully stated in order not to conflict with authority delegated to the Executive Director.
4. As the Executive Director works for the full BoD, he or she will not be required to seek approval of a BoD committee before an executive action.
5. The resolution establishing any BoD committee shall state the purpose, composition guidelines, timeline, and authority of the committee. The designation and appointment of any such Committee and the delegation thereto of authority shall not relieve the BoD or any individual BoD member of any responsibility imposed upon it, him, or her by law. Unless specifically authorized by the BoD, a BoD committee may not make any commitment of organizational resources or funds.
6. A BoD committee shall be comprised of a minimum of three (3) BoD members. Committee member attendance requirements shall comply with Ohio Revised Code Chapter 340 and require notification of the appointing authority as to lack of attendance. Committee attendance will be maintained separate and apart from BoD meeting attendance.
7. Unless specified otherwise in the *Board Committee Structure* policy, BoD committee members and chairpersons shall be appointed by the Board Chair, with consideration being given to BoD member committee preferences, if possible.
8. Each BoD member will be asked to serve on at least one committee, and to participate in special task forces/work groups as assigned during the year.
9. This policy applies to any group formed by BoD action, whether or not it is called a committee and regardless of whether it includes BoD members. This policy does not apply to committees formed under the authority of the Executive Director.

The BoD will consciously invest in its capacity to govern effectively.

For purposes of Policy 3.8 the BoD referenced herein includes both BoD members **and** BoD approved, non-voting Board Shadows.

 - B. Outside monitoring may be arranged to help the BoD have confidence that organizational performance meets expectations.
 - C. Community outreach will be used as needed to ensure the BoD's ability to listen to owner viewpoints and values.
2. Costs will be prudently incurred, but sufficient to ensure the development and maintenance of superior governance. The BoD will develop its governance budget **by June 1 each year** to assure its inclusion in the overall budget. Governance prerogatives to be considered include allowances for:
 - A. Training, including BoD member attendance at conferences and workshops.
 - B. Audit and other third-party monitoring of organizational performance.

Policy 4.0 Board-Management Connection

Date of Adoption: July 28, 2015 / Last revision: July 28, 2015

Board-Management Connection

The BoD's sole official connection to the operational organization, its achievements and conduct will be through a chief executive officer, titled "Executive Director."

Policy 4.1 Unity of Control

Date of Adoption: July 28, 2015 / Last revision: September 21, 2021

Board-Management Connection

The Board of Directors acts with one voice in establishing expectations of the Executive Director.

Accordingly:

1. No BoD member, officer, or committee has authority over the Executive Director, or any member of his/her staff, except in rare instances when the BoD has explicitly authorized a BoD member, officer, or committee to direct staff resources for a specific issue.
2. BoD members or committees may request information, but if such requests in the Executive Director's opinion, requires a material amount of staff time or funds or is disruptive, it may be declined. The committee or BoD member may then refer the request to the full BoD for consideration.

Policy 4.2 Accountability of the Executive Director

Date of Adoption: July 28, 2015 / Last revision: July 28, 2015

All BoD authority delegated to management is delegated through the Executive Director. Therefore, the authority and accountability of staff, as far as the BoD is concerned, is considered the authority and accountability of the Executive Director.

Accordingly:

1. The BoD will not give instructions to any staff other than the Executive Director.
2. The BoD will not evaluate, either formally or informally, any staff other than the Executive Director.
3. The BoD will consider and evaluate Executive Director's performance as synonymous with organizational achievement of *Ends* and compliance with *Management Parameters*.
4. Consequently, the Executive Director's accountability and evaluation will be based on organizational performance in two areas:
 - A. Organizational achievement of the BoD's *Ends* policies.
 - B. Organizational operations within the parameters of legality, prudence and ethics established in the BoD's *Management Parameters* policies.
5. In addition, the Board will establish, in conjunction the Executive Director, annual professional development goals for strengthening his/her individual leadership capacity.

Policy 4.3 Delegation to the Executive Director

Date of Adoption: July 28, 2015 / Last revision: September 21, 2021

The BoD will instruct the Executive Director through written policies setting forth the organizational Ends to be achieved, and organizational situations and actions to be avoided, allowing the Executive Director to use any reasonable interpretation of these policies.

Accordingly:

1. *Ends* policies instruct the Executive Director to achieve certain results, for specified recipients at a specified worth or priority. These policies will be developed systematically from the broadest, most general level to more defined levels.
2. Executive Limitations policies define the boundaries of legality, ethics, and prudence within which the Executive Director is to operate. These policies describe the practices, activities, decisions, and circumstances that would be unacceptable to the BoD, even if effective in producing the desired results. Executive Limitations will also be developed systematically from the broadest, most general level to more defined levels. To ensure accountability for performance, the BoD will not prescribe organizational means delegated to the Executive Director.
3. An *Ends* or *Management Parameters* policy at a given level does not limit the scope of any preceding level.
4. Pursuant to the Ohio Revised Code, Section 340.04, the Executive Director is authorized to establish further policies, make decisions, take actions, develop subsidiary policy, establish practices, and develop activities, as long as they are consistent with any reasonable interpretation of the BoD's *Ends* and *Management Parameters* policies.
5. The BoD may change its *Ends* and *Management Parameters* policies, thereby shifting the boundary between BoD and Executive Director domains. By doing so, the BoD changes the latitude of choice and authority given to the Executive Director. However, as long as any particular delegation is in place, the BoD will respect and support decisions made by the Executive Director that are consistent with BoD policy, as reasonably interpreted.

Policy 4.4 Monitoring Executive Director Performance

Date of Adoption: July 28, 2015 / Last revision: December 10, 2024

The BoD will systematically and rigorously monitor Executive Director job performance, determining the extent to which *Ends* are being achieved and whether operational activities fall within the boundaries established in *Executive Limitations* policies.

Accordingly:

1. Monitoring is simply to determine the degree to which BoD policies are being met. Information that does not address accomplishment of *Ends*, compliance with *Management Parameters*, and achievement of identified professional development goals will not be considered in the BoD's evaluation of Executive Director performance.
2. Ends and *Management Parameters* policies may be monitored by one or more of three methods:
 - A. Internal Reports: The Executive Director discloses in writing his/her policy interpretations, along with data supporting his/her assessment of accomplishment of, or compliance with, the policy under review. As appropriate for a given policy, the Executive Director may present justification for the "reasonableness" of his/her interpretation.
 - B. External Report: An external, disinterested third party selected by and reporting to the BoD assesses accomplishment of, or compliance with, BoD policies, as reasonably interpreted by the Executive Director; and
 - C. Direct BoD Inspection: A designated BoD member or committee assesses compliance with a given policy, as reasonably interpreted by the Executive Director
3. In every case, the BoD is committed to accepting *any reasonable Executive Director interpretation* of the BoD policy being monitored. The BoD is final judge of reasonableness and will always use the "reasonable person" test (whether what the Executive Director did was what a reasonably prudent executive might do in that context), even if those choices differ from those favored by BoD members or by the BoD as a whole.
4. In every case, the BoD will judge whether:
 - A. The Executive Director's interpretation is reasonable, and
 - B. Data demonstrate reasonable accomplishment of, or compliance with, the Executive Director's interpretation.
5. Interpretations determined by the BoD not to be reasonable, or data determined not to demonstrate reasonable accomplishment of, or compliance with, a BoD policy as interpreted, will be subject to a remedial process agreed to by the BoD. *Such discussions will be in Executive Session (only voting BoD members plus any other parties specifically invited by the BoD to attend).*
6. All policies instructing the Executive Director will be monitored at a frequency and by a method chosen by the BoD. The BoD may monitor any policy at any time by any method but will ordinarily depend on a routine schedule (found on the next page).
7. On an annual basis, the BoD will summarize and review, with recommendation of the Executive Compensation Committee, its judgments of monitoring activities (including monitoring reports, outside audits and Direct Inspections), and of the Executive Director's achievement of professional development goals as set forth in the preceding year. The results of the performance review shall be documented for inclusion in the Executive Director's personnel file.

Policy 4.5 Executive Director Employment and Compensation

Date of Adoption: July 28, 2015 / Last revision: December 14, 2021

Board-Management Connection

The BoD aims to employ and retain a high caliber Executive Director, who is to be provided a reasonable and competitive total compensation opportunity, reflecting his or her experience and demonstrated capability to improve the overall performance of the organization.

Accordingly:

1. **Compensation:** Executive Director remuneration will be determined in accordance with the performance evaluation criteria and process outlined in Policy 4.4 “Monitoring Executive Director Performance.”
 - A. The BoD will ensure that Executive Director compensation is fair and equitable, with decisions compliant with applicable state and federal legislation, and upon review of data as to comparable compensation for similarly qualified persons in functionally comparable positions at similar organizations. The BoD will maintain contemporaneous documentation and record keeping with respect to BoD deliberations and decisions regarding Executive Director compensation.
 - B. Upon the BoD’s determination of any changes to the Executive Director’s compensation, amendments to his/her contract, if needed, will be negotiated by the Executive Compensation Committee, subject to BoD approval.
 2. **Removal:** The ADM Board of Directors, by majority vote of the full membership, may remove the Executive Director for cause, upon written charges, after an opportunity for a hearing before the BoD has been afforded to the Executive Director on request, per ORC340.04.
 - A. The BoD will consult with legal counsel prior to the removal of the Executive Director.
 - B. Removal will take into consideration any existing employment contract with the Executive Director.
 3. **Hiring of New Executive Director:** Upon the vacancy of the Executive Director, the BoD shall, as a standard course, perform the following:
 - A. Appoint an Interim Executive Director, who shall be subject to the authority parameters codified in *Governing Policy Manual Category II: Management Parameters*. In accordance with public ethics requirements, BoD members are ineligible to serve as interim executive director.
 - B. Make a determination to proceed with an internal or external search process.

Appendix B

Guideline for Internal Reports – Management Parameters

For each Management Parameters policy, the respective report should have four elements:

- The Executive Director's signed attestation that the information provided in the report is true.
- Verbatim presentation of each policy statement.
- The Executive Director's interpretation of the policy language. As appropriate, background information that helps justify the "reasonableness" of the interpretation (e.g. industry standards) should be included.
- Data substantiating compliance with / achievement of the Executive Director's interpretation.

If the Executive Director is reporting non-compliance, additional data to be provided should include:

- A. The reason (including if due to factors beyond Executive Director's reasonable control).
- B. By when there will be rectification of the non-compliance.
- C. If the Executive Director believes the standard is not one that can be reasonably achieved/complied with, he/she should convey why the BoD may wish to revise the policy.

Guideline for Internal Reports – Ends

For each Ends policy, the respective report should state:

- The Executive Director's interpretation of the language. The Executive Director should state how he/she interprets the End statement – what it would look like if the End is achieved? The Executive Director should present what s/he will use as indicators reflecting reasonable achievement, including short-term (e.g. one-year) results if the End is stated in a long-term perspective. If appropriate, rationale to justify the "reasonableness" of the interpretation and/or proposed metrics should be presented.
- The Executive Director presentation of data. The Executive Director should present data substantiating achievement of the End, as interpreted, including data conveying the cost of such achievements. If the Executive Director believes the results reflect that the interpretation is, in fact, achieved, she/he should state such an assertion (e.g. "I believe these results constitute reasonable achievement of this End.").
- If the achievement is NOT what the Executive Director would proclaim to be reasonable fulfillment, then the report should convey to the BoD what can and will occur, by when, and any reasons for the non-achievement the Executive Director wishes the BoD to consider. These would include circumstances beyond the Executive Director's reasonable control. Also, in looking ahead to future achievements, this is a key opportunity to convey to the BoD what those results will cost, be they financial, setting lower priorities for other programs/results, etc.

Finally, the Executive Director should present to the BoD any concerns regarding whether a reasonable achievement of the End, as stated, isn't possible, or, if it is difficult, what would be necessary to make compliance possible (e.g. "at what cost?").
